

“Word of Mouth” Marketing Via Root Wommers

Typical Questions:

- Are you happy in your business?
- How do you do your Marketing?
- Is your Marketing Effective?
- Are you making enough revenue to make profit?

Both of them are CEOs of their own business and they are now getting new networks and improving on their sales.

- Are you in home based business?
- Are you managing your own business?
- Are you a freelance consultant or businessman/business woman?
- Are you looking for new networks to expand your business?
- Are you an entrepreneur that likes to help others with your products or services and wants to grow together?

Learn to be an effective marketer and also to grow by leverage with other people’s network. Its the cheapest marketing technique and also recession free!!!

No commission, no mark up and no payment when you get new clients or sales.

- ✓ Do you like to improve on your marketing?
- ✓ Do you like to reach out to other networks?
- ✓ Have you heard about Word of Mouth Marketing?
- ✓ Do you want people to introduce you and your products to their networks so that you can get the target clients/customers that you have wanted.

These 2 businesswoman have their own business and now they get connected to new networks and are meeting each week with new clients.

We have local and international hubs in Malaysia, Singapore and Indonesia where we group the members in each hub in order for them to learn about marketing via “word of Mouth” and to expand their marketing via all these hubs.

All these hubs are growing in numbers and we shall register you within this hub if you are interested to join us.

If you are interested to attend one “preview” and how the Hub are conducting the “Word of Mouth” Marketing, you can register via Dr Norsaidatul Mazelan (012398-1246) or via Jamal Sulaiman (017310-1667)
