

HIJRAH NATURE HERBS (M) SDN BHD

We always take care to ensure we comply with global standards. This also means ensuring consistent compliance with our principle, which is the basis of all we do.

Our Sustainability initiatives and ESG compliance standards are related to our roles in saving the planet such as reducing carbon emission, create more social impact solutions such as job opportunity and employee relations. Our industry need to be having economic eco-system that brings prosperity to all businesses, and therefore we support our suppliers, partners and investors to bring values of ESG to the local community and abroad. Our focus SDGs are no from the 17 UN SDGs. Our best practices are (1) Taken a course that is focused on or related to sustainability (in its social, environmental, or economic dimensions), (2) Turn off lights when not in use (ex. when leaving a room), (3) Use a reusable water bottle, coffee cup, or travel mug, (4) Reported leaky faucets, toilets, or showerheads, (5) Washed only full loads of laundry, (6) Printed Double-sided, and (7) Limit time in the shower to 5 minutes.
